TERMS AND CONDITIONS:

Akaroa Health Hub Limited is a limited liability, New Zealand registered company ("AHH"). AHH has obtained charitable status and is registered under number CC50204. AHH is an independent, non-government organisation whose mission is to provide health services to the people of the Akaroa-Wairewa area, and in collaboration with other groups establish a new facility to provide health services to local residents.

AHH encourages fundraising events by individuals and groups to raise funds for AHH to achieve its mission. Please see the below guidelines to ensure that fundraising events and projects comply with AHH protocol and information as to when a donation receipt can be issued.

For a fundraising event or project to be approved by AHH, a Fundraising Proposal Application needs to be completed and submitted.

The following criteria are taken into consideration before a fundraising event/project is approved by AHH:

- i. That the fundraising project fits with the aims and values of AHH and the spirit of philanthropy.
- ii. That the fundraising project is not considered high risk.
- iii. That any deductions made for expenses are deducted at cost.
- iv. The amount to be deducted for expenses is appropriate.
- v. The fundraising event or project will produce a reasonable (net) return after expenses have been deducted.

The Fundraiser will be notified by phone or mail, within five (5) working days of submitting the fundraising proposal to AHH. If the fundraising proposal is successful a letter of approval will be sent to the Fundraiser.

AHH is not liable for external fundraising events/projects. If approved, the fundraising event/project must be clearly identified as being an external event organised by the Fundraiser. The fundraising event/project will be the sole responsibility of the Fundraiser. The Fundraiser is responsible for all risk, obligations, legal compliance, legal requirements (including health and safety and food safety requirements) and liability in relation to the fundraising event or project.

All publicity material (including posters and tickets) relating to an external fundraising event/project must clearly identify the Fundraiser as the organiser.

The fundraising event/project must meet all relevant laws and regulations. AHH does not provide public liability insurance cover to Fundraisers.

AHH will not be responsible for fundraising event/project related expenses. AHH will not pay expenses incurred by the Fundraiser. Necessary expenses can be deducted from the proceeds of a fundraising event/project, however the expenses deducted must be documented and must not be more than agreed with AHH.

For AHH's accounting purposes, funds collected on AHH's behalf by the Fundraiser must be paid to AHH within 20 days following a fundraising project. The Fundraiser will write one cheque or make one electronic payment to AHH for the net proceeds raised from a fundraising project, to the following bank account:

Account Name: Akaroa Health Hub Ltd

Bank: BNZ

Account Number: 02-0832-0063776-001

A list of names, contact details and evidence of the amount donated by the individual, company or Maori authority must be supplied by the Fundraiser for receipting purposes if Donation Receipts are required.

Sponsorship cheques, ticket costs, auction or raffle prizes/purchases do not qualify for Donation Receipts. In order for a Donation Receipt to be issued by AHH a cash donation must be given by an individual, company or Maori authority voluntarily, for no consideration, for no realisable benefit, receive no good or service in return and impose no material countervailing disadvantage on AHH.

AHH will provide written acknowledgement of the net proceeds raised (together with a non-Donation Receipt for the net proceeds). "Thank you" letters to individual participants and supporters are the responsibility of the Fundraiser.

USE OF LOGO

All printed material using the AHH logo or name must have the prior permission of AHH. This material, including media releases, must be forwarded to AHH for approval prior to being printed or circulated.
